3. Show Cause Hearings

This item was tabled until later in the meeting.

4. Bingo

(a) Issuance of 1993 Bingo Licences and New Provincial Legislation

The Licence Division Manager advised the Committee that renewal of the 1993 licences was imminent and that the list would be available for members to ratify by December 15. He said, due to Provincial regulations, the Licence Division would only be recommending issuance of licences for a three month period rather than the usual six month term because he felt that substantial changes to the legislation may be forthcoming.

Mr. Dembe said groups were still striving to achieve the 20% requirement, however, he felt the new Provincial legislation would take care of this.

(b) Bingo Sponsors Association Meeting Facilities

The Licence Division Manager advised the Committee that the Bingo Sponsors Association had been using City Hall Committee rooms and the Clerk was requesting the Committee's direction as to whether this practice should be continued.

The Committee AGREED that the Bingo Sponsors Association be authorized to continue to use City Hall Meeting rooms and facilities for their Association meetings.

5. Adult Entertainment Parlours

The Committee was in receipt of a report from the Licence Division Manager dated 1992 December 02 with regard to Adult Entertainment Parlours together with a letter from the Hamilton Adult Entertainment Operators Committee.

The Committee received the correspondence and AGREED as follows:

- 1. That it be recommended to the Committee of the Whole for consideration at such time as it is dealing with user fees that the existing Licence Fees for Adult Entertainment Parlours, other than for attendance and the hours of operation, remain unchanged for 1993.
- 2. That the Continuous Improvement Team be asked to give consideration to the request for an amendment to the City of Hamilton's licensing procedures regarding Adult Entertainment Parlours to permit the issuance of an Attendant's Licence for

a 12 month period from the date of application/licence renewal, or pro-rate the licence fee quarterly.

6. Legal Fees - Karrum Amusement Ltd. Hearing

This item was tabled until later in the meeting.

7. Second Level Lodging House - 185 Delaware Avenue

The Committee was in receipt of a report from the Manager of the Licence Division dated 1992 December 02 giving an update on the Second Level Lodging House at 185 Delaware Avenue. The Committee was also in receipt of a letter from Hazel Ross, the owner of the Lodging Home advising the Committee of the current status of residents. The Licence Division Manager said that, because sufficient steps were being taken the matter would not warrant being dealt with at the present time and that there were no risks to the residents. He said he hoped to bring the matter back in January at which time the Home would be in conformity with the By-law.

The Committee AGREED to receive the status report on 185 Delaware Avenue for information.

8. Probationary Licence Holders

The Licence Division Manager gave a verbal report with regard to the probationary licence holders update. He advised that he would be preparing a report on this matter for the Committee in the new year.

9. Billiards - Whiskey Joe's

Mr. Dembe advised the Committee that the owners of Whiskey Joe's had been granted a minor variance by the Ontario Municipal Board which would allow the issuance of a Billiards Licence to Whiskey Joe's. He said the licence would be processed and sent to the Committee for ratification in due course.

At this point Mr. Child left the meeting and Alderman Cooke joined the meeting.

3. Show Cause Hearings

The Committee then retired in camera to hold Show Cause Hearings and subsequently AGREED as follows:

- (a) That the Tow Truck Driver Licence application of Kris Rankin be granted for a one year probationary period.
- (b) That the application for reinstatement on the Taxi Cab Priority List by Philip Sarkis be tabled until such time as Mr. Sarkis can provide the Committee with proof and dates of his visits to the United States.
- (c) That the application for reinstatement on the Taxi Cab Priority List by Paul Shaver be granted.

- (d) That the application for reinstatement on the Taxi Cab Priority List by Paul Voloudakis be granted.
- (e) That the application for reinstatement on the Taxi Cab Priority List by Randall Rostron be granted.
- (f) That the application for reinstatement on the Taxi Cab Priority List by Patricia Rostron be granted.

The Committee then reconvened in open session and AGREED to recommend to the Taxi Advisory Committee the following procedure with regard to renewal on the Taxi Cab Priority List:

That late applications for renewal on the Taxi Cab Priority List incur a \$100.00 penalty from October 1 - the end of the year in which the renewal was due.

6. Legal Fees - Karrum Amusements Ltd. Hearing

The Committee was in receipt of a request from the legal representative of Karrum Amesements Ltd. for their client's costs of preparation and attendance at the recent hearings with regard to the Amusement Arcade Licences.

Mr. Sabo, of the Law Office, advised the Committee that the same Committee members who had attended the Amusement Arcade Licence Hearing should make the decision with regard to the request for costs. Therefore, Alderman Cooke, Alderman Wilson and Mr. Jones considered this matter and AGREED as follows:

That the Amusement Arcade Licence applications of Karrum Amusements Ltd. Mad been considered in good faith and, on that basis, the City of Hamilton Licensing Committee is not prepared to consider costs in the matter.

10. Other Business

(a) Physic Fairs

The Committee was in receipt of a letter from Ishbal Davidson with regard to Physic Fairs and AGREED to receive the letter for information.

11. Adjournment

There being no further business, the meeting then adjourned.

Taken as read and approved.

Hearings - Exclusion from Regulation under the Taxicab

By-law

BACKGROUND:

Members of the Committee will recall that on December 8, 1992, City Council, in adopting Item #14 of the 24th Report of the Finance and Administration Committee, directed that persons operating smaller vehicles and providing special transportation services be requested to attend the Licensing Committee to explain why they should be excluded from regulation under the Taxicab By-law.

Attached for your information is various correspondence pertaining to this issue and, in particular, a request by an individual seeking a hearing before the Committee at its February 10, 1993 meeting.

Please note that a number of other hearings on the same subject will also be held at this meeting.

Taxi Advisory Committee

OUR FILE:

PHONE: 546-3993

SUBJECT: Taxi and Livery Vehicle Report

DATE: 1992 December 17

At its meeting of 1992 December 15 the Taxi Advisory Committee was advised by the Licence Division Manager of requests he had received from representatives of a number of transportation companies for a hearing before the Licensing Committee. He said the companies were seeking relief from the Orders to Comply which had recently been issued by the Licence Division, in order that they could fulfil their contracts with the school boards.

Mr. Dembe advised that he was seeking a legal opinion in this matter before proceeding further.

The Taxi Advisory Committee agreed that, should such a hearing be scheduled, the Licensing Committee be asked to allow a delegate of the Taxi Advisory Committee to speak at the hearing and voice the concerns of the Taxi Advisory Committee in this regard.

Dear Mr. Verma:

Thank you for your letter dated December 14, 1992 respecting the "Orders to Comply" issued to you on december 8, 1992.

As explained to you in our telephone conversation on Friday, December 18, your correspondence has been referred to me by His Worship the Mayor along with a request that I contact you to further discuss this matter.

The purpose of this letter is to confirm in writing that no further action will be taken by the Licence Division with respect to the six (6) "Orders to Comply", until such time as the matter concerning school transportation is further dealt with by the Licensing Committee which I understand is tentatively scheduled for January of 1993.

Thank you for bringing your concerns to our attention and please feel free to contact me if I can be of any further assistance to you.

Yours truly,

THE CORPORATION OF THE CITY OF HAMILTON LICENCE DIVISION, CITY HALL 71 MAIN STREET WEST HAMILTON, ONT. L8N 3T4

RE: ORDERS TO COMPLY TO SUDHIR VERMA FROM LICENCE DIVISION. DATED DECEMBER 8, 1992.

Dear Sir,

I am unable to comply with your order to comply within 15 days and will need an extension till June 30,1993 for the following reasons.

- 1. The City of Hamilton will not or cannot issue appropriate licenses for the transportation services I am providing to the Hamilton Board of Education in order for me to comply.
- Before I started providing school transportation in September 92, I consulted the Licence Division regarding this service. I was told quite clearly that as long as I can obtain Provincial Public Vehicle Licence and satisfy the requirements of the Board of Education, City of Hamilton will not impose any further regulations or require any additional licences. Coupled with the City's assurance I was also aware of the fact that there are other companies providing the same service for the past few years in similar vehicles with similar Provincial licenses as mine. The City of Hamilton did not require any additional licensing of them. Based on this information, I invested subtantial capital in August 92 to start my business. For the above reasons I want to request a hearing with the appropriate city committee. My hope is that in this hearing, after I present my case along with the committee's understanding, either the compliance order is withdrawn or some alternatives can be found.
- 3. I have contractual obligations to be fulfilled with the Hamilton Board of Education till June 30, 93. It will be detrimental to my company's reputation if I cannot fulfill my obligation.

I sincerely expect that for the above reasons, along with your understanding, you will grant me an extension till June 30, 93.

Dated December 14, 92

Sincerely,

(Sudhir Verma)

3. Show Cause Hearings

This item was deferred until later in the meeting.

4. Application for Entry Onto the Taxicab Priority List

The Committee was in receipt of a report from the Manager of the Licence Division dated 1992 December 21 with regard to an application for entry onto the Taxicab Priority List.

The Committee AGREED that the name of the following applicant be added to the Taxicab Priority List:

92.09.04 Angela Rizzuto 175 Hunter Street E. #512 546-5180

5. Request for Hearing Re: Exemption from Taxicab By-law

The Committee was in receipt of an information report from the Manager of the Licence Division dated 1993 January 06 with regard to Hearings - Exclusion from Regulation Under the Taxicab By-Law.

The Licence Division Manager advised the Committee that a series of hearings would be scheduled for the February 10, 1993 Licensing Committee meeting at which persons operating smaller vehicles and providing special transportation services would be attending to explain why they should be excluded from regulation under the Taxicab By-law.

The Committee was also in receipt of a request from the Taxi Advisory Committee that a delegate of the Taxi Advisory Committee be allowed to speak at the hearing and voice the concerns of the Committee in that regard.

The Committee subsequently AGREED

- 1. That such hearings be scheduled for the February 10th meeting of the Licensing Committee at which time persons operating smaller vehicles and providing special transportation services will be given the opportunity to explain why they should be excluded from regulation under the Taxicab By-law.
- 2. That a representative of the Taxi Advisory Committee should attend the February 10th meeting of the Licensing Committee to request an opportunity to voice the concerns of the Taxi Advisory Committee at these hearings.

6. Other Business

(a) Bingo Licence - St. George Mission Society

The Committee was in receipt of a report from the Manager of the Licence Division dated 1993 January 13 with regard to Bingo Licence - St. George Mission Society.

The Committee AGREED as follows:

That the Bingo Lottery Licence of the St. George Mission Society be extended to 1993 March 31.

(b) Karrum Amusements

The Licence Division Manager advised the Committee of a request from Karrum Amusements to make a change in the police surveillance, which was one of the conditions upon which the licence was issued. It was noted that meetings were to take place with the

interested parties being, the B.I.A., Police and Licence Division and that this matter would be brought to the February meeting of the Licensing Committee.

Mr. Jones was entered into the record as being opposed to any change in the conditions under which the Licence was issued.

3. Show Cause Hearings

The Committee then retired in camera to hold show cause hearings and subsequently AGREED as follows:

- (a) That the Second Hand Licence application of Bob Morrison be denied. (A motion to grant for a one year probationary period was lost on a tie vote and therefore will be sent to Council as a denial.)
- (b) That the Cab Driver Licence application of Aynar Rizaveli be granted for a one year probationary period.
- (c) That the Cab Driver Licence application of William Cooper be granted for a six month probationary period.
- (d) That the Cab Driver Licence application of Christopher Loveday be granted for a six month probationary period.
- (e) That the Cab Driver Licence application of Gregg A. Estey be granted for a one year probationary period to be conditional upon receipt of a letter from Mr. Estey's psychiatrist attesting to his capability to drive a cab and deal with the public.
- (f) That the Cab Driver Licence renewal application of Mr. George Hayman be granted for a one year probationary period and that a 15 day suspension be imposed upon Mr. Hayman's licence to commence either immediately upon Mr. Hayman voluntarily surrendering his licence or from the date of this recommendation by City Council; following which a Cab Driver Licence will be issued to Mr. George Hayman for a one year probationary period.

7. Adjournment

There being no further business, the meeting then adjourned.

Taken as read and approved.

New and Amended Policies Related to Interim Terms and Conditions for the Issuance of Various Lottery Licences

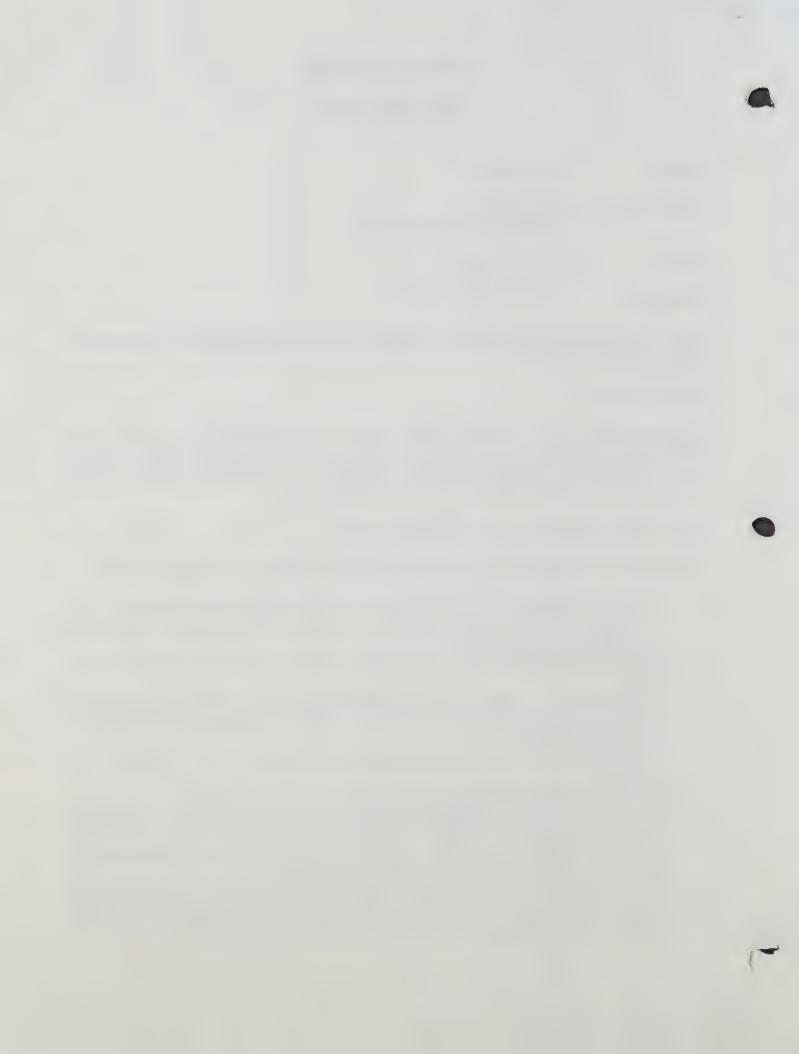

BACKGROUND:

On December 10, 1992, the Gaming Services Act received Royal Assent. This Act permits the licensee to use the services of a person to assist in the conduct of raffle, bingo and break open ticket lotteries, provided this person is registered in accordance with the Gaming Services Act 1992 and Regulations, or is otherwise exempt.

Of significant importance are the following changes:

The Interim Terms and Conditions for the Issuance of Bingo Lottery Licences state:

- No person apparently under the age of 18 years may play any game of bingo.
- A minimum of three bonafide members shall be continuously present during the conduct of each bingo event.
- Two bonafide members will be in charge of and responsible for the conduct of the bingo.
- The licensee may use the employees of the registered bingo hall to assist as runners and/or the caller. Payment of these services will be the responsibility of the Bingo Hall owner/operator.
- Honorariums to bonafide members assisting at the bingo shall not exceed \$20.00 per member.
- If the Bingo Hall provides the runners and the callers, the payment of prizes, licence fee, honorariums and advertising and transportation costs shall be deducted first from the gross receipts. The Licensee shall retain a minimum of 60% of the remaining proceeds and pay the Bingo Hall a maximum of 40% of the remaining proceeds up to maximum of 15% of the gross receipts, whichever is less.
- If the Bingo Hall does not provide any runners or callers, after the prizes and administrative expenses are deducted, the licensee shall retain a minimum of 60% of the remaining proceeds and pay the bingo hall a maximum of 40% of the

remaining proceeds up to a maximum of 14% of the gross receipts, whichever is less.

The 20% Net Proceeds Law has been removed from the Terms and Conditions.

The Interim Terms and Conditions for the Issuance of a Break Open Ticket Lottery Licence state:

- Licensee is permitted to use the services of a registered Gaming Services Seller at a Third Party Location.
- Total expenses, exclusive of the licence fee, for licensees selling tickets from their own premises or from a Third Party Location shall not exceed 10% of the gross receipts.
- Total expenses, exclusive of the licence fees, for using the services of a registered Gaming Services Supplier shall not exceed 12% of the gross receipts.

The Interim Terms and Conditions for the Issuance of a Raffle Lottery Licence state:

- The licensee may use the services of a person to assist in the conduct of a raffle if that person is registered in accordance with the Gaming Services Act and Regulations, or is otherwise exempt.
- All expenses shall be directly related to the conduct of the raffle and this amount may be limited by the Director of the Entertainment Standards Branch.
- Commissions to volunteers are permitted if they do not exceed 5% of the price of each ticket sold.

PROVINCIAL LICENCES

Municipal approval is still required for the following provincial licences:

- 1. A Monte Carlo Event is an event at which any combination of the following games may be played: Blackjack, Rapid Blackjack, Blackjack Tournament, Wheels of Fortune and other games as may be authorized by the Director.
- 2. All Bingo Lottery Events licensed with a prizeboard in excess of \$3,500.00.
- 3. If Break Open Tickets are sold at Bingo Lottery Events, a Provincial Licence must be obtained.
- 4. Super Jackpots will be made available to all charities conducting bingo from bingo halls with 3 or more events per week. This type of bingo event requires a Provincial Licence.
- 5. Monster Bingos require Provincial Licences. These licences are limited to 1 per 30-day period, per 100 km radius, and is granted on a first come first serve basis.
- 6. Raffles with a prizeboard over \$5,000.00 will require a Provincial Licence during this interim period.

A detailed report on Provincial Licences will be provided at a later date.

3. Karrum Amusements Limited - Management Plan

Mr. Criminisi, solicitor for Karrum Amusements Limited attended together with Mrs. Rumpf and requested a change in the Management Plan for Palace Amusement Arcade at 61 King Street East and Casino Amusement Arcade at 79 King Street East.

Mr. Criminisi advised of the present arrangement whereby two (2) officers were employed on three (3) nights of the week, namely Thursday, Friday and Saturday from 7:00 p.m. to 12 midnight. He proposed reducing the officers to one (1) per evening with reduced hours.

Mr. Rose said staff believed that licensed establishments in the City should not have to operate with police to protect either the public or the operation of the City. He said the Licence Division had originally been opposed to the licence being issued in November and felt it was too soon after the Committee's decision to alter the plan and therefore was of the opinion that the plan should remain as it presently stood. Mr. Rose said that if the Committee chose to reduce the plan, the City would increase their surveillance of the properties.

Mr. Criminisi said the proposed changes were essentially that the compliment of officers be reduced from two (2) to one (1) and that the number of hours per shift be reduced from five (5) to three (3). He further proposed that the scheduling of off duty officers be done on a random basis rather than on set nights, which he believed would be more effective. He stated that the idea was to be more effective with less resources.

The Committee were then advised of a recent meeting between representatives of the B.I.A., police, Licence Division and Licensee. It was noted that the Hamilton Wentworth Regional Police supported the proposal on a three (3) month basis, the Licence Division were not in favour and the B.I.A. supported the proposed changes.

A representative from the Hamilton Wentworth Regional Police said the Police Department did not heavily support the proposed changes nor did they object. He said prior to the hiring of off duty officers there had been problems but since then there have been no problems. It was noted that the Hamilton Wentworth Regional Police were prepared to operate on a reduced compliment for a period of time during which they would assess the situation and report back to the Licensing Committee. The Chairperson of the downtown B.I.A. said they basically had no objection to the proposed changes and they were willing to give them a chance.

Mr. Criminisi said the applicant was not removing security, simply modifying it, and the applicant was aware that if problems arose as a result of this, then they would ultimately bear the responsibility.

At this point, the Committee retired to deliberate.

Reconvening in open session, the Committee agreed as follows: that Karrum Amusements Limited be allowed to amend the Management Plan by the reduction of one (1) off duty police officer for the existing scheduled hours, for a three (3) month period. At the end of which, the Licensing Committee will consult with the Downtown B.I.A., police and Licence Division.

At the request of Mr. Criminisi the Committee agreed that this matter will be placed on the Agenda for the May 12 meeting of the Licensing Committee.

6. Submissions - Transportation Services

As a large number of people were in attendance with regard to the Transportation Services, the Committee agreed that this item be dealt with out of order.

The Committee was in receipt of a report from the Manager of the Licence Division Manager dated 1993 February 09 with regard to Private Transportation Services.

The Chairperson advised that the intent that evening was not to hold show cause hearings but rather to comment on a policy recommendation which would then impact on the way in which the By-law would be written.

Mr. Dembe gave the background to his report and recommendations, and the Chairperson then invited interested parties to speak.

Mr. Sudhir Verma, of Verma Transportation, attended with his lawyer, Mr. Raymond Harris. Mr. Harris advised the Committee that in order to obtain a licence under the Public Vehicle Act, Mr. Verma had to attend a hearing and pass certain criteria, including provision for public convenience and necessity. He said the system further regulated itself by the freedom of contract which the Boards of Education had, and that the Boards were in a better position to judge the quality of service and the needs of the children to be transported.

Mr. Harris said he felt it was in the public interest to foster free enterprise rather than to regulate.

At this point Alderman D. Drury declared a conflict of interest. He said although he did not have a pecuniary interest, as Chairperson of the Taxi Advisory Committee he had spoken publicly and taken a stand on this issue, and he therefore did not feel he could honestly listen and make an unbiased or non-prejudiced decision as he had already made a decision in this regard. Alderman Drury said he would not therefore speak to this issue and left the room.

Mr. Harris concluded by saying that if Mr. Verma and others like him were legislated into taxihood this would legislate him out of business. He therefore asked that the City not attempt any regulation and to let the free enterprise system find its own level and let freedom of contract in the system serve as its own regulatory body.

Ms. Sue Wilson represented the Hamilton Board of Education and referred to her written submission. She said the position the Board of Education wished to take was that the decision should be left to the Boards to make the best judgement regarding transportation for students, either in a taxi or a van. She advised that taxis presently handled 63% of the Board of Education transportation.

Ms. Wilson said the Hamilton Board of Education had been using vehicles with Public Vehicle plates for a number of years.

Ms. Bridget Delissio of the Hamilton-Wentworth Roman Catholic Separate School Board said her Board was of the same mind as the Hamilton Board of Education. She said there had been no problems to the present time and she did not foresee problems in the future. Ms. Delissio said the Separate School Board only transported about 1/3 as many children as the Hamilton Board of Education did and that they wish to leave the situation as it presently stood.

The Committee then heard from other transportation representatives, Mr. Bob Esselment of Veterans Taxi and Mr. Paul Ferracuti, solicitor for Sandra Fukumoto of Didictom.

Mr. Ferracuti advised that his client currently transported children for Chedoke-McMaster Hospitals Early Childhood Department.

Mr. Esselment referred to Council's action in June, 1992, when it had eliminated Livery Vehicles. He said Council had made a policy and he thought at that time that this business would be going to the taxi industry.

Mr. Dembe said, for clarification, that when Mr. Verma's Livery Licence became extinct he had been able to obtain other licences.

In response to a question from the Chairperson regarding a change in the Board of Education policy, Ms. Wilson explained that the policy had been changed in 1992 whereby middle school students would walk to and from school, unless their home was in excess of 2.4 km from the school. She said that this was a trend which would continue as the Ministry was informing School Boards that they must reduce school transportation costs.

Mr. Stan Kotick, a lawyer representing Caledonia Transportation and Laidlaw Transit, said both companies were licensed through Public Vehicle licences. He said these were school bus operators who were largely self-regulated and performed a specialized service geared to close liaison between the School Board and the school.

Mr. Kotick said he strongly concurred with Mr. Dembe's report and asked that his clients be exempted from the requirements of the By-law based upon the nature of their operations which were very distinct from taxi operations.

George Hutchinson, of the Taxi Advisory Committee, and Craig Cutten, of Blue Line Transportation, then spoke on behalf of the Taxi Industry.

Mr. Cutten referred to his written submission and cited City of Hamilton By-law 92-172 which prohibits the transportation of people within the City of Hamilton unless a taxi licensed vehicle and driver is used for this purpose. He said a representative of the Ministry of Transportation had recently attended a meeting of the Taxi Advisory Committee and stated that vehicles with public vehicle plates were only legal for operating on an inter-urban basis. He expressed concern that By-laws were not being enforced.

George Hutchinson referred to the Taxi Advisory Committee recommendation to legitimize other companies and define what is and what is not taxi business. He explained that the recommendation was to define taxi business by size of vehicle and that this did not prevent

other companies from conducting this business, provided they did it in a vehicle of 10 passengers or less. He said this number had been chosen because it was in conformity with the Highway Traffic Act.

Mr. Hutchinson said the taxi industry had been devastated by the recession and that, if it lost the security of school trips, the quality of vehicles, etc. would suffer and taxi fares could increase as a result.

At this point Mr. Childs left the meeting due to a prior commitment.

Glen Attridge, of Attridge Transportation, thanked Mr. Dembe and his staff for bringing to light certain issues in the industry. He said he agreed with the recommendation but, after hearing other submissions that evening, asked for clarification that the 9 passenger vehicle did not include disabled transportation. He said he felt he could live with a By-law which stated pick up exclusively within the City of Hamilton, and would have to operate a 10 passenger or more van set out by standards of the Ministry of Transportation and Transportation Standards of Canada.

Mr. Attridge agreed that if the City wished to pass a By-law that all vehicles under 9 passengers have taxi licences he would have no problems with that. He cautioned however, that the City should look at potential for lawsuits against the City and School Boards, if a By-law stated that taxis could carry school children and an accident occurred as a result.

The Chairperson then asked if anyone wished to speak on this issue and Khalil Zourob cab owner with Blue Line, referred to the possibility of lawsuits and said that these could occur anyway and the only difference would be whether the City was sued or the Province.

Bob Bourke, a representative of the Hamilton Taxi Industry, (H.T.I.) and a member of the Taxi Advisory Committee, said the reason for getting rid of Class C Liveries was to put business back into the taxicab industry. He cited the present poor business situation and said he wished to see illegal companies charged and By-laws enforced.

Mr. Dembe referred to the Class C livery issue and agreed that there were vehicles which were carrying students which were not licensed taxis. He said most of the school business was controlled by the three taxi brokerages. Mr. Dembe said the taxi industry had expressed concerns in the past that when livery licence holders were not doing livery business they were taking taxi business. He noted that in good times many cab drivers did not wish to transport school children.

Mr. Dembe said he did not feel the Committee should be dealing with the size of vehicles, but rather the fact that carriers should be free to transport children for School Boards as determined by the School Boards. He said the School Boards would be seriously affected if the Committee were to recommend that the carriers not be exempt, and said that the taxi industry would not be able to do all this business.

Mr. Dembe said the Boards had indicated that the only business that taxis would lose would be as the result of Provincial policies. He agreed that school business belonged to the taxi industry, but not exclusively, and said that to include these companies in the By-law would be detrimental to school transportation.

At this point the Licensing Committee adjourned to deliberate.

Reconvening in open session the Chairperson asked for clarification on certain points. He asked Mr. Harris whether Mr. Verma was operating using Public Vehicle licences, and the context in which these licences were being used. Mr. Harris pointed out that the licences issued were for transportation of school children for the Board of Education and Separate School Board between points within the Regional Municipality of Hamilton-Wentworth.

Mr. Verma said the licences were issued for school transportation and had no limit regarding the size of vehicle and were issued based on the needs of School Boards. He said the Province makes special exceptions for school transportation because they may be transporting between municipalities now or in the future. He added that the licences were restricted to school transportation for the two School Boards.

In response to a question, Ms. Wilson advised that the Board of Education required that transporters of school children had to be properly licensed and that a Public Vehicle plate had been acceptable for a number of years. She advised of certain rules and regulations which the Board had set, ie, seat belts, pick up at side of street for child, no smoking in vehicle, etc.

Mr. Dembe asked Ms. Wilson for a comparison of quality of service and was advised that when difficulties were experienced it tended to be on the part of taxis.

At this point the Licensing Committee again adjourned to deliberate.

Reconvening in open session, the Chairperson thanked everyone for making submissions and said he appreciated the time and thought which had gone into them.

The Chairperson advised that it had not been an easy decision for the Committee to make. He said that in phasing out Class C livery plates the first and foremost objective of City Council was to ensure that the conveyance of school children for the purpose determined by the School Boards should not be adversely affected, and therefore the Committee had to be very cognisant of the spirit of that resolution.

The Chairperson stated that protection of the public interest, and ensuring that all who are conveyed arrive safely and in good condition, was the job of the Committee and not to enforce any monopolies in the transportation industry. Therefore he said it was the Committee's belief that where School Boards had chosen to contract and to ensure certain standards of service to their constituencies, and where those trips are governed by Provincial licence, that first and foremost that is the responsibility of the School Boards and cle arly within the purview of Provincial government with regard to the safety of passengers conveyed in those trips.

The Chairperson said the Licensing Committee also felt that they did not have the legal mandate to successfully challenge this. However, the Committee was concerned that some of the licences which may have been issued for the purpose of Provincial transportation may be being used contrary to that purpose, and therefore the Licensing Committee made the following recommendation:

(a) That, in accordance with Recommendatior 14 (a)(v)(2) of the Twenty-fourth Report of the Finance and Administration Committee, adopted by City Council on 1992 December 08, all transportation companies involved in the transportation of students for either of the Boards of Education and which hold Public Vehicle licences be exempted from regulation under the Taxicab By-law.

- (b) That companies involved in the transportation of nursery school children, disabled children and adults, and persons with special needs as determined by a hospital also be exempted from regulation under the Taxicab By-law.
- (c) That staff be directed to immediately contact the Ministry of Transportation of Ontario to ensure that any Public Vehicle licences presently being operated in the transport of any of the classes of contract referred to above be assessed immediately to ensure that they comply with the terms and conditions under which they were issued.

4. Show Cause Hearings

The Committee then retired in-camera to hold Show Cause Hearings and subsequently agreed as follows:

- (a) That the cab driver licence application of Norman Forgie, be granted for a one (1) year probationary period, subject to a letter from his physician stating that the applicant is able to safely drive a cab while on present medication.
- (b) That the cab driver licence renewal of Gurmit Sehgal be granted for a six (6) month probationary period.
- (c) That the cab driver licence application of Phillip Dales be tabled.
- (d) That the cab driver licence renewal of Mustafa Abu Dagga be granted for a six (6) month probationary period.
- (e) That the cab driver licence renewal of Sherif Elshamy be granted for a six (6) month probationary period.
- (f) That the cab driver licence application of Daniel J. Rosser be granted for a six (6) month probationary period, subject to provision of notice from the Ministry of Transportation of Ontario that Mr. Rosser has updated his address on his documentation.
- (g) That the cab driver licence application of Wayne Phillip Bradford be granted for a one (1) year probationary period.

The committee then resumed in open session.

5. (a) Taxicab Priority List Appeal

The Committee was in receipt of a report from the Manager of the Licence Division dated 1993 February 3 with regard to a Taxicab Priority List appeal of Mr. Dimitrios Mikolaidis.

The Committee agreed to table this matter until the next meeting.

(b) Reinstatement of Application on Taxicab Priority List

The Committee was in receipt of a report from the Manager of the Licensing Division dated 1993 January 21 with regard to the reinstatement of an applicant on the Taxicab Priority List.

The Committee agreed that the name of the following applicant be reinstated on the Taxicab Priority List.

83.12.29 Selewa Y. Younathan, 61 Dragoon Drive, 575-7616

(c) Request for Hearing

The Committee was in receipt of a letter from Mr. Fadhel Zahed requesting a hearing before the Licensing Committee to request reinstatement on the Taxicab Priority List.

After consideration the Committee agreed not to grant Mr. Fadhel Zahed a hearing for reinstatement on the Taxicab Priority List.

8. Submission Re Taxi Promotional Schemes

At this point the Committee retired in-camera to hear an application from Mr. Bob Esslement, Vice-President and General Manager of Veteran's Taxi to run Taxi Promotional Schemes.

Resuming in open session, the Committee agreed that the promotional plan attached hereto as Appendix A, be approved as follows:

- (a) Plan A and Plan B be approved for a three (3) month probationary trial period.
- (b) Plan C be approved for a one (1) year trial period.
- (c) All cab companies in Hamilton be advised of this decision and that the details of the plans be attached to the minutes of meeting as Appendix A.

7. New Provincial Interim Regulations - Lotteries

The Committee was in receipt of an information report from the Manager of the Licensing Division 1993 February 10 with regard to new and amended policies related to interim terms and conditions for the issuance of various lottery licenses.

The Committee agreed to receive this report for information.

9. Other Business

(a) Second Level Lodging Home

Mr. Dembe gave an update on the status of the second level lodging home at 195 Delaware Avenue. He said this matter will be going before the Planning and Development Committee and that the Licensing Committee would be in a position to deal with this matter in the near future.

(b) Taxi Priority List

Mr. Sabo advised that the appeal by Mr. Gary Pace for reinstatement on the Taxi Priority List have been dealt with by the courts and have been dismissed with costs.

(c) Lounge Amusement Centre

Alderman Wilson asked when the matter of the Lounge Amusement Centre would be brought to the Licensing Committee to which Mr. Demby responded, it was hoped that this establishment would be brought before the April meeting of the Licensing Committee for disposition.

10. Adjournment

There being no further business, the meeting then adjourned.

Taken as read and approved.

Alderman T. Cooke Chairperson City of Hamilton Licensing Committee

Stella Glover Secretary City of Hamilton Licensing Committee

APPENDIX A TO MINUTES OF CITY OF HAMILTON LICENSING COMMITTEE MEETING HELD FEBRUARY 10, 1993

PLAN A - Designation of 1 Taxi As Free Customer Rides

Frequency - up to twice each month between the hours of 9 a.m. and 3 p.m.

Method of Operation - One taxi will be designated as the free taxi - on a voluntary rotating basis for the day's program and will operate throughout the city as normal. At the conclusion of each cash trip, the customer will receive a congratulatory letter and complimentary trip for the meter amount. The driver maintains regular trip records and at the end of the program submits a total of the free trips which will be paid in full by Veteran's Taxi Brokerage.

PLAN B - DESIGNATION OF BLITZ HOURS FOR DISCOUNTED FARES

Frequency - up to once each week, for one hour only each occasion, on non peak days between hours of 10 a.m. and 2 p.m.

Method of Operation - All cash taxi trips originating through Veteran's brokerage for the one hour period will receive a 10% discount - for Seniors this will be in addition to normal 10% discount - to be deducted from the meter at the conclusion of the trip. The customer will receive notice of this discount at the time of the original call - subject to a minimum meter fare of \$5.00. The drivers will maintain regular trip records and will be paid by Veteran's Taxi for the aggregate of the 10% discount.

PLAN C - EARTHSONG TRANSPORTATION AT FLAT RATE PRICES

Frequency - During the days of Earthsong Festival.

Method of Operation - All passengers will be charged \$2.00 for transportation between Earthsong and a downtown depot - property location in the vicinity of King and James/Connaught Hotel. We have discussed a contribution plan with each of Bill Powell at Earthsong and Suzanne Mulligan at the Community Child Abuse Council that \$.50 of each \$2.00 fare will be contributed to the Community Child Abuse Council for the duration of the 4 day event. All advertising and promotion of the service would be a joint venture of these parties with the festival. The Child Abuse Council and Veteran's service actively promoted.

Taxi participation will be voluntary and the taxi operator will maintain regular trip records. The driver will be paid at the present By-law hourly rate of \$19.30 for any shortfall between the total net trips and the hourly revenue.

2. Show Cause Hearings

The Committee then retired in camera to hold show cause hearings and subsequently agreed as follows:

- (a) That the cab driver licence application of Phillip Dales be granted for a six month probationary period.
- (b) That the cab driver licence application of David G. Turansky be granted for a probationary period to expire 1993 December 31.

The Committee then resumed in open session.

4. Other Business

(a) Lounge Video Arcade

The Licence Division Manager gave an update on the Lounge Video Arcade and stated that the Licence Division was planning to proceed to a Show Cause Hearing on 1993 April 07, notwithstanding charges which were presently before the courts.

(b) 185 Delaware Avenue

Mr. Dembe advised the Committee that the rezoning application for the Second Level Lodging Home at 185 Delaware Avenue had been denied and was presently in the appeal period to the O.M.B. He said 10 residents currently resided in the property although only nine were allowed by By-law. However, every effort was being made to transfer one resident into a nursing home.

Mr. Dembe said that otherwise the home complied with all other regulations.

(c) Adult Video Store

Mr. Dembe advised the Committee that the adult video store at 116 Emerson Avenue had now been officially closed.

5. Adjournment

There being no further business, the meeting then adjourned.

Taken as read and approved.

Alderman T. Cooke
Chairman
City of Hamilton Licensing
Committee

Stella Glover Secretary City of Hamilton Licensing Committee

CITY OF HAMILTON

- RECOMMENDATION -

DATE:

1993 March 29

REPORT TO:

Mrs. Stella Glover

Secretary, Licensing Committee

FROM:

Mr. S. J. Dembe

Manager, Licence Division

SUBJECT:

REPORT TO:

Stella Glover

Secretary, Licensing Committee

FROM:

Steven J. Dembe

Manager, Licence Division

SUBJECT:

Provincial Super Jackpot Games Conducted at Bingo Lottery Events

RECOMMENDATION:

- (a) That the City of Hamilton Licensing Committee give approval to the following Provincial Lottery Applications for Super Jackpot Games:
 - (1) Bingo Country Super Jackpot Game Committee
 - (2) Delta Super Jackpot Game Committee
 - (3) Mountain Super Jackpot Game Committee
 - (4) New Airport Super Jackpot Game Committee
 - (5) Princess Super Jackpot Game Committee

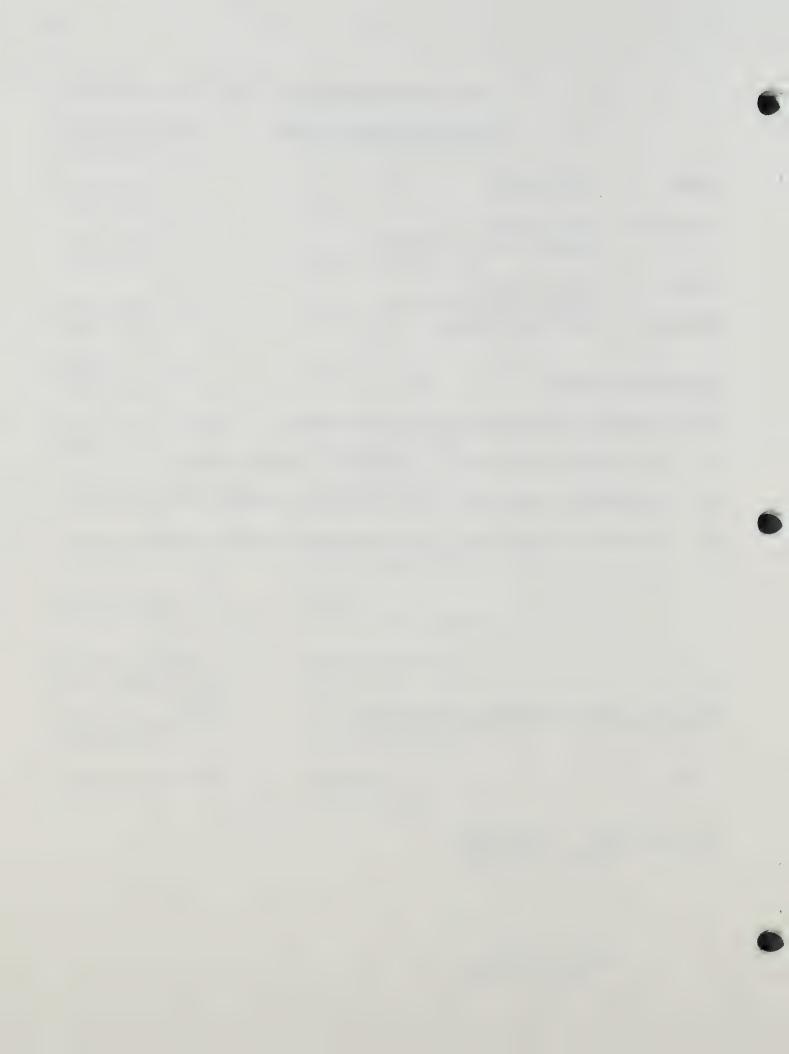

FINANCIAL/STAFFING/LEGAL IMPLICATIONS:

The Province will enforce Terms and Conditions for Super Jackpot Games.

DISCUSSION:

A new type of bingo lottery game came into effect on February 1, 1993. It is know as a "Super Jackpot" and is a Provincially licensed bingo game and is held during a regular licensed bingo lottery event. The City of Hamilton must still give its approval to the holding of this type of event.

The issue for the Committee is whether the holding of these lotteries is in the best interests of the inhabitants of the municipality. For your information, meetings have been held with hall owners and the charities in each hall have also held meetings and the Hall Owners and charities are taking a cautious approach to this new type of lottery game. Licensing Staff will be monitoring the performance of the City's bingos. At this time, it is felt that this new lottery game would be beneficial to the community.

DISCUSSION:

A new type of bingo lottery game came into effect on February 1, 1993. It is know as a "Super Jackpot" and is a Provincially licensed bingo game and is held during a regular licensed bingo lottery event. The City of Hamilton must still give its approval to the holding of this type of event.

The issue for the Committee is whether the holding of these lotteries is in the best interests of the inhabitants of the municipality. For your information, meetings have been held with hall owners and the charities in each hall have also held meetings and the Hall Owners and charities are taking a cautious approach to this new type of lottery game. Licensing Staff will be monitoring the performance of the City's bingos. At this time, it is felt that this new lottery game would be beneficial to the community.

The Province requires that the following Terms and Conditions be met:

- (a) The Super Jackpot prize cannot exceed 60% of the regular licensed prizeboard. For example, if the prizeboard is \$3,500.00, the full Super Jackpot prize cannot exceed \$2,100.00. This prize of \$2,100.00 is in addition to the \$3,500.00 prizeboard of the regular licensed event.
- (b) The full Super Jackpot prize will be awarded to the person achieving a full card bingo in a stipulated number of calls or less. The stipulated number of calls required to win the prize in the initial session of each round is 50. This game will progress by 1 additional call each session (bingo lottery event) until the full Super Jackpot prize is won.
- (c) At each event, if the Super Jackpot prize is not won, a consolation prize can be awarded to the person achieving a full card bingo in more than the stipulated number of calls:
 - (i) the consolation prize cannot exceed 20% (\$420.00) of the full Jackpot prize;
 - (ii) the total value of all line prizes cannot exceed 10% (\$210.00) of the licensed Jackpot prize and
 - (iii) the amount of the Super Jackpot prize, the consolation prize and the total value of all line prizes must remain constant.
- (d) The number of Super Jackpots conducted each day may not exceed the number of regular bingo events conducted that day. However, an organization may conduct a maximum of two Super Jackpot games during a regular bingo event.
- (e) In order for the Super Jackpot game to be licensed, the charities must form a sponsors association to administer the licence. There must be 100% participation from all charities operating Super Jackpots during their regular bingo licence. A separate bank account must be held for the purposes of administering each Super Jackpot licence. All net proceeds will be divided among member charities on a pro rata basis, based on the number of regular bingo events held by each organization. The money is deposited in the members' lottery account and is used only for the purposes listed in the regular (City) bingo licence.
- (f) The Super Jackpot cards will only be sold for the price as indicated and approved on the application for the Provincial licence. The usual cost for a 3-card strip is \$2.00.

An example of the revenues which can be generated for all bingo sponsors are as follows: If 250 bingo players spend a average of \$6.00 for Super Jackpot cards, \$1,500.00 gross revenue will be generated. Statistics show that a Super Jackpot will be won on the required number of calls on every 7th bingo lottery event. The total revenues generated from these 7 events will be \$10,500.00. If only a consolation prize of \$420.00 is paid for 6 events and the Jackpot prize of \$2,100.00 for 1 event, the net proceeds derived for the Super Jackpot Sponsors Association will be \$5,880.00. Losses would be paid equally by the hall owner/operator and the licensee.

The applications for this new lottery scheme has been approved by the Hamilton-Wentworth Regional Police. All bingo lottery sponsors have endorsed the Super Jackpot games and the

revenues derived will increase the net proceeds of the charities. Committees have been set up at each hall to monitor all aspects of these lottery events. The approval of this new type of lottery scheme will permit the sponsors to compete with other are municipalities such as Burlington and Stoney Creek, which have made application to the Province for this type of lottery scheme.

The Interim Terms and Conditions for Super Jackpot Games are attached for the information of the members of the Committee.

SUPER JACKPOT Interim Terms and Conditions SUPER GROS LOT Modalités provisoires

It is a condition of each licence that:

The licensee shall comply with the Bingo Interim Terms and Conditions, February, 1993.

ADMINISTRATION

- A Super Jackpot Game Committee comprising of at least one bona fide member of each licensee participating in the Jackpot Game shall be established in the bingo hall. The Committee shall elect a Chairman and a Secretary/Treasurer who shall be primarily responsible for the management and conduct of the Super Jackpot Game in accordance with the terms and conditions set out herein.
- The Super Jackpot shall only be conducted as part of a regular bingo licence and shall be operated by the member of the Super Jackpot Game Committee who is conducting the regular bingo event.

ACCOUNTING

- The Committee shall establish a separate lottery account for each Super Jackpot Game conducted into which all gross receipts from the sale of bingo paper for the Super Jackpot game shall be deposited. All withdrawals from such designated account shall be made exclusively by cheque and only be for the purpose of:
 - the payment of the full Jackpot prize;
 - the payment of all expenses incurred in the management and conduct of the Super Jackpot Game:
 - the periodic disbursement of proceeds to participating c) members in the Super Jackpot Game Committee.

EXPENSES

- The gross receipts from the Super Jackpot shall be distributed after the awarding of the full Jackpot prize as follows:
 - The payment of all prizes and the licence fee shall be deducted first from the gross receipts.
 - The licensee shall retain a minimum of 60% of the remaining proceeds.

Pour chaque licence délivrée, il est entendu que:

Le titulaire doit se conformer aux modalités provisoires relatives au bingo, février 1993.

ADMINISTRATION

- Dans chaque salle de bingo où se tient un jeu de super gros lot, on doit créer un comité qui comprend au moins un membre véritable de chaque organisme participant titulaire d'une licence. Le comité se choisit un président et un secrétaire-trésorier, qui ont essentiellement la responsabilité de la gestion et de la conduite du jeu de super gros lot, conformément aux présentes modalités.
- Le jeu de super gros lot ne peut être conduit qu'en vertu d'une licence de bingo ordinaire et doit être tenu par le membre du comité du jeu de super gros lot qui organise le bingo ordinaire.

COMPTABILITÉ

- Le comité doit créer un compte désigné de loterie pour chaque jeu de super gros lot dans lequel sont déposées le produit brut découlant de la vente de cartes de bingo pour le jeu de super gros lot. On ne peut faire de retraits qu'en tirant des chèques et dans le seul but de :
 - payer le montant du gros lot;
 - payer toutes les dépenses imputées à la gestion et à la conduite du jeu de super gros lot;
 - verser régulièrement le produit aux membres du c) comité du jeu de super gros lot.

DÉPENSES

- Les recettes brutes du super gros lot doivent être réparties après l'attribution de la totalité du super gros lot, de la façon suivante:
 - Le paiement des prix et les droits de délivrance de licence doivent d'abord être déduits des recettes brutes.
 - Le titulaire de la licence doit conserver au moins 60 % des recettes restantes.

- c) The licensee may pay the bingo hall owner/operator a maximum of 40% of the remaining proceeds up to a maximum of 15% of the gross receipts, whichever is less.
- d) In the event of a loss, the licensee shall be responsible for a maximum 50% of the loss incurred. The bingo hall owner/operator is responsible for the remainder.
- e) Cash shortages incurred as a result of an error on the part of the bingo hall owner/operator or its employees shall be deducted from the fee paid to the bingo hall owner/operator.
- f) The Goods and Services Tax shall be paid from the proceeds retained by the licensee.
- 6) Honorariums to members and advertising costs shall be paid only from the conduct of the regular bingo game in accordance with limits prescribed in the Bingo Interim Terms and Conditions, February, 1993.

DISBURSEMENT OF NET PROCEEDS

- 7) The net proceeds derived from the conduct of the Super Jackpot Game shall be periodically disbursed to all licensees participating in the Super Jackpot licence. The division of proceeds shall be made on the basis of the frequency of regular bingo events held by each member licensee.
- 8) Licensees which receive a portion of the proceeds from the Super Jackpot licence shall deposit their share into its designated bingo lottery trust account. Proceeds received shall be used only for the purposes listed and approved on the licensee's regular bingo application.

PRIZES

- 9) The full Super Jackpot prize shall be awarded to the person or persons achieving a full card bingo in the stipulated number of calls or less. At any session where the full Super Jackpot prize is not won, the consolation prize shall be awarded to the person or persons achieving a full card bingo in more than the stipulated number of calls.
- 10) The stipulated number of calls required to win the Super Jackpot prize in the initial session of each round shall be <u>50</u> (for a I to 75 number bingo) and shall progress by one additional call each session until the full Super Jackpot prize is won.
- All prize money shall be divided equally amongst all persons achieving a winning bingo within the same number of calls.

- c) Le titulaire de la licence peut verser au propriétaire ou à l'exploitant de la salle de bingo un montant maximal correspondant à 40 % des recettes restantes, jusqu'à concurrence de 15 % des recettes brutes, si ce montant est inférieum
- d) En cas de perte, le titulaire de la licence est responsable d'un maximum de 50 % de la perte subie. Le propriétaire ou l'exploitant de la salle de bingo est responsable du reste.
- e) Les déficits de caisse résultant d'une erreur de la part du propriétaire ou de l'exploitant de la salle de bingo ou de ses employés doivent être déduits des droits versés au propriétaire ou à l'exploitant de la salle de bingo.
- f) Le titulaire de la licence doit payer la taxe sur les produits et services à partir des recettes qu'il conserve.
- 6) En dépit des dispositions du paragraphe qui précède, le titulaire de la licence ne doit pas inclure dans ce calcul les frais d'honoraires des membres, ni les frais de la publicité et/ou de transport. Ces dépenses ne sont payées qu'à même le produit découlant de la conduite du bingo ordinaire, conformément aux limites énoncées dans les modalités provisoires relatives au bingo pour 1993.

VERSEMENT DU PRODUIT NET

- 7) Le produit net tiré de la conduite du jeu de super gros lot doit être versé périodiquement à tous les titulaires de licence de bingo qui participent au jeu de super gros lot. Le répartition du produit doit se faire proportionnellement à la fréquence des bingos ordinaires organisés par chaque titulaire de licence membre du comité.
- 8) Les titulaires de licence qui reçoivent une portion du produit du jeu de super gros lot doivent déposer leur part dans leur compte désigné de loterie en fiducie. Le produit ainsi reçu ne doit servir qu'aux fins énumérées et approuvées dans la demande de licence de bingo ordinaire du titulaire.

PRIX

- 9) La totalité du super gros lot doit être attribuée à la ou aux personnes qui parviennent à remplir la totalité de leur carte de bingo avec le nombre de numéros qu'on a prévu de tirer ou moins. Chaque fois que le super gros lot n'est pas gagné, le prix de consolation doit être accordé à la ou aux personnes qui réussissent à remplir la totalité de leur carte de bingo avec un nombre de numéros supérieur à celui qu'on avait prévu de tirer.
- 10) Le nombre prévu de numéros à tirer pour gagner le super gros lot lors de la première séance de chaque partie doit être de <u>50</u> (dans le cas d'un bingo de 75 numéros) et doit augmenter d'un numéro à chaque séance jusqu'à ce que le super gros lot soit remporté.
- 11) Tous les prix en argent doivent être répartis également entre toutes les personnes qui ont une carte de bingo gagnante et qui l'ont remplie à l'aide du même nombre de numéros tirés.

12) The amounts of the Super Jackpot prize, the consolation prize and the total value of all line prizes shall remain constant.

PAPER SALES

- 13) The licensee shall sell bingo paper by a cash transaction only. Bingo paper shall be sold only for the price indicated and approved on the application for licence.
- 14) The licensee shall sell super jackpot paper only during the regular bingo event in which the Super Jackpot game is to be held.

FINANCIAL REPORT

- 15) a) Each licensee shall submit a report on the results of the Super Jackpot Game as set out in Form SJP-R within ten (10) days following the awarding of the full Super Jackpot prize. Copies of all deposit slips and the name of the winner of the full Super Jackpot prize shall accompany the financial report form.
 - b) The licensee shall obtain receipts for each expense incurred. A copy of these receipts shall be submitted with the financial report.
 - c) A licensee which accepts American currency shall also submit a supplementary super jackpot report form SASJ-R and is subject to the requirements respecting American Currency in the Bingo Interim Terms and Conditions, February, 1993.

 La valeur du super gros lot, du prix de consolation et de la valeur totale de tous les prix ordinaires doit rester constante.

DISTRIBUTION DES CARTES

- 13) Le titulaire de la licence doit vendre les cartes au comptant seulement. Les cartes ne doivent être vendues qu'au prix indiqué et approuvé dans la demande de licence de bingo ordinaire.
- 14) Le titulaire de la licence ne doit vendre les cartes du jeu de super gros lot que pendant le bingo ordinaire au cours duquel on procède au jeu du super gros lot.

ÉTAT FINANCIER

- 15) a) Le titulaire de la licence doit présenter un rapport sur les résultats du jeu de super gros lot, tel qu'établi sur la formule SJP-R, dans les dix (10) jours qui suivent la remise du prix du super gros lot. L'état financier doit être accompagné d'une copie de tous les bordereaux de dépôt. Il faut aussi fournir le nom du ou de la gagnant(e) du jeu de super gros.
 - Le titulaire de la licence doit obtenir un reçu pour toutes les dépenses engagées et présenter une copie de ces reçus en même temps que l'état financier.
 - c) Le titulaire qui accepte des devises américaines doit aussi présenter un rapport supplémentaire du jeu de super gros lot (formule SASJ-R) et doit se conformer aux exigences concernant les devises américaines contenues dans les modalités provisoires relatives au bingo, février 1993.

4. Bingo - Provincial Super Jackpot Game Applications

The Committee was in receipt of a report from the Manager of the Licence Division dated 1993 March 30 with regard to Provincial Super Jackpot Games Conducted at Bingo Lottery Events and agreed as follows:

That the City of Hamilton Licensing Committee give approval to the following Provincial Lottery applications for Super Jackpot Games:

i. Bingo Country Super Jackpot Game Committee.

- ii. Delta Super Jackpot Game Committee.
- iii. Mountain Super Jackpot Game Committee.
- iv. New Airport Super Jackpot Game Committee.
- v. Princess Super Jackpot Game Committee.

5. <u>185 Delaware Avenue</u>

The Licence Division Manager gave a verbal status report on the Second Level Lodging House at 185 Delaware Avenue. He stated that he had recently been notified that the number of residents had increased from 10 to 11. However, he was advised by the Health and Fire Departments that the additional person created no extra concerns with regard to the health and safety of the residents and no greater risk was posed because of the additional person.

Mr. Dembe said he would be bringing the matter to the attention of the Committee in a more formal manner at a future meeting.

6. Adjournment

There being no further business, the meeting then adjourned.

Taken as read and approved.

SUBJECT:

Management Plan - Karrum Amusements Ltd. DATE:

1993 May 5

The Licensing Committee, at its meeting on February 10, 1993, agreed to the amendment of the Mangement Plan by the reduction of one off-duty police officer for the existing scheduled hours, for a three month period. The Licence Division has continued to monitor the Casino and Palace Arcades. Approximately 20 random inspections have taken place during the last three months.

INSPECTORS' OBSERVATIONS

1. **Condition of Premises**

Arcades have been clean and free of litter both, inside and outside. The fire exits and lighting, etc. have always been in good working order.

2. **Arcade Staff**

Staff seem to be monitoring the activities inside the arcades and they appear to be in control. During all the inspections, the camera security systems have been in operation. The off-duty police officers have commented on how helpful and cooperative the arcade staff have been in taking care of any problems, such as loiterers.

3. **Local Merchants**

Merchants on the north side of King Street East between John and Hughson Streets were interviewed.

Those merchants interviewed feel that the problems that existed prior to the initiation

of the enforcement plan have decreased significantly. They feel safer with the police presence, especially at 9:00 p.m., when they are closing and heading to the bank with their cash deposits. They also believe that if the police were removed on the busy evenings (Thursday, Friday and Saturday), the conditions will quickly deteriorate to the conditions which existed prior to the enforcement plan.

4. Police Presence

The Licence Division has not received any complaints from the public since the number of off-duty officers has been reduced to one. One officer who was interviewed expressed a personal safety concern if an incident did occur. He stated that on the evening of April 10, 1993 he had to evict approximately 50 youths, who were loitering in the arcade. He stated that he and other officers have expressed this concern in their reports. Supt. Jackson will be better able to respond to this concern.

5. Private Security

Karrum Amusements Ltd. have proposed replacing off-duty police officers with private security. Although this is a decision the Licensing Committee must make, the Licence Division feels that a private security firm would not be able to offer the same quality of enforcement as the H.W.R.P. Both the H.W.R.P. and B.I.A. are prepared to comment on this proposal at the May 12, 1993 Meeting.

- RECOMMENDATION

DATE:

REPORT TO:

Stella Glover

Secretary

FROM:

Steven J. Dembe

Manager, Licence Division

SUBJECT:

NEW BINGO TIME SLOTS

RECOMMENDATION:

That the freeze imposed on the issuing of Bingo Lottery Events in new time slots be rescinded.

FINANCIAL/STAFFING/LEGAL IMPLICATIONS:

An increase in bingo lottery licence revenue which is unknown at this time. Any increase in the number of bingo events would correspondingly impact on Administration and Enforcement personnel.

BACKGROUND:

Members of the Committee will recall that on October 14, 1992, the Committee imposed a freeze on any new bingo lottery events in the existing bingo halls until such time as the average profitability for all organizations currently conducting bingo reaches 20%. (Report attached). Since that time, a number of significant changes have occurred which no longer necessitate the current policy freeze on opening new bingo events. This is due to new legislation which came into force on February 1, 1993. The Gaming Services Act repealed the 20% Minimum Profit law and introduced a new provision for the division of charitable proceeds derived from bingo events.

The requirement now in effect is that all proceeds from bingo lottery events is to be split on a 60-40 basis after the necessary expense deductions are made, or in the alternative, the bingo hall can collect 14% of the gross receipts, whichever is the lesser.

As a result of the above changes, charities would now be free to conduct bingo events provided that both hall owners and charities agree that a new time slot is marketable.

Recently meetings and discussions with all bingo hall owners and managers, along with the Chairman of the Bingo Sponsors Association concur that the current freeze on new events - should be lifted and that the market dictate which new events can be supported.

REPORT TO:

Mrs. S. Glover

Secretary, Licensing Committee

FROM:

Mr. S. J. Dembe

Manager, Licence Division

SUBJECT:

New Bingo Applications

RECOMMENDATION:

(a) That the Licensing Committee not approve any applications for new bingo lottery events in existing bingo halls until such time as the average profitability for all organizations currently conducting bingo reaches 20%.

FINANCIAL/STAFFING/LEGAL IMPLICATIONS:

N/A

BACKGROUND:

According to the Financial Reports for all bingo lotteries which have been conducted since January 1, 1992, which total 3675 events, the average profit for each organization is 17.66%.

In comparison with the same time period in 1991, the average profit was 21.31% It should be noted that there were only 2607 events for the same time period last year.

Members of the Committee are aware the Provincial Law requires a minimum profit of 20% for each organization's events. It is safe to say that a large majority of the 150 organizations are currently not complying with the 20% Profit Law.

Should the Committee issue licences for any new events, it will further undermine the current bingo market which has already reached a saturation point.

Once the overall profitability is restored in compliance with the Law, it would then be appropriate to consider the opening of new bingo events.

It must be pointed out that applications by qualified charitable organizations wishing to conduct weekly bingo lottery events in facilities which are not licensed bingo parlours do not fall within the scope of the provincial moratorium on new bingo halls. As such, a church or other facility wishing to conduct a weekly or bi-weekly bingo event from its own facility is not considered a commercial hall and a licence in this case would not be contrary to the moratorium guidelines. Applications for these events should be considered on a case by case basis.

Members of the Committee will recall that at the August 12, 1992 meeting, two bingo events were recommended for cancellation. At that time a response to a question from one of the bingo hall operators was given that should a cancelled bingo event be significantly restructured (i.e. substantial lowering of prizeboard), consideration would be given to approving this event on a probationary basis. The above recommendation would not apply should such an application be received.

SUBJECT: Ratification of 1993 Licences

RECOMMENDATION:

a) That the attached Licence Reports respecting licence applications for the period March 29, 1993 to April 30, 1993 be formally approved.

FINANCIAL/STAFFING/LEGAL IMPLICATIONS:

N/A

BACKGROUND:

At the meeting of the Licensing Committee held on September 26, 1990, the members agreed that at each regular meeting of the Licensing Committee, Licence Reports will be submitted for formal ratification, notwithstanding the fact that they have been previously approved and issued.

The City of Hamilton Licensing Committee met.

There were present: Alderman T. Cooke, Chairperson

Alderman D. Drury Alderman D. Wilson

Mr. J. Jones

Also present: Mr. S. Dembe, Licence Division Manager

Mr. D. Rose, Chief Licence Inspector

Mr. R. Sabo, Law Office

Mrs. S. Glover, Licensing Committee Secretary

1. Minutes of Meeting

The minutes of meeting held 1993 April 07 were adopted as presented.

2. Karrum Amusements Ltd.

The Committee was advised that three months had elapsed since the agreed upon amendment to the Management Plan for Karrum Amusements Ltd. and, in accordance with the Committee's request, a three month review of the Plan was to be undertaken. Mr. Doug Rose, Chief Licence Inspector, reported on behalf of the Licence Division and said that since the decision of February 28 to amend the Management Plan, 20 inspections had been carried out at which the premises had been found to be free of litter, everything was in proper working order, staff appeared to be in control of activities, security cameras were working and staff were co-operative.

Mr. Rose advised that the merchants felt the problems were greatly decreased because of the police presence but felt, however, that if the police were removed completely, things could revert back to the way they were. He said no complaints had been received in the Licence Division during the last 3 months although it had been necessary on April 10th for one police officer to remove approximately 50 people who were loitering in front of The Arcade and concerns were raised with regard to the increased possibility of loitering with the onset of improved weather.

Mr. Rose said that the Licence Division felt there would be a decrease in the quality of enforcement if a private security company was brought in.

Insp. Jackson of the Hamilton-Wentworth Regional Police attended and circulated copies of a report from the Police Department which cited activity at the Palace Arcade where police had to take action on a number of occasions to move on loiterers. He said the police presence prevented a problem and expressed concern that if the police were not present problems would recur. He stated that the off-duty officers employed at the premises were concerned with the issue of officer safety if only one officer was in attendance.

Mr. Charles Criminisi attended together with Mrs. Rumpf, of Karrum Amusements, and cited the improvements over the past three months and said the only incidents cited had been minor instances. Mr. Criminisi said the licensee wished now to take the next step which would be to change the form of security from off-duty police officers to a private security company. He said the licensee had spoken to Bond Security and been assured that they would have the manpower and the capability to do the job. Mr. Criminisi said he was therefore proposing that private security officers be present during the same hours as the

off-duty officers had previously attended, being, Thursday, Friday and Saturday from 7:00 p.m. - midnight.

Mr. Criminisi said there were other arcades throughout the City who operated without any kind of security whatsoever and who catered to the same market, ie, youth.

Alderman Drury noted the approach of the summer months and suggested that the security should continue a while longer with perhaps double security. Mrs. Rumpf cited the high cost of the off-duty police officers and said they would be pleased to pay off-duty officers the same rate as a private security firm, but that the \$38.00 per hour was cost prohibitive to a small business especially in today's recession.

Alderman Drury questioned, and was assured, that private security companies would have the authority to remove patrons from the premises.

Mr. Criminisi suggested a further three month trial period.

At this point the Committee agreed to take the matter under advisement and retired to deliberate.

Resuming in open session the Committee agreed to grant the request from Karrum Amusements for an amendment to the Management Plan as follows:

- 1. That two private security guards be employed to replace the one off-duty police officer, working the existing scheduled hours, being 7:00 p.m. midnight on Thursday, Friday and Saturday evenings.
- 2. At the end of a three month period the Committee will again consult with the downtown B.I.A., Police and Licence Division, and if at that time there are no further difficulties, the Committee will be prepared to look at further amendments. However, the Police and Licence Division will be asked to monitor the situation and if difficulties arise, the matter will be brought back to the Licensing Committee for review.

This matter is to be placed on the agenda for the 1993 August 11 regular meeting of the Licensing Committee for review.

3. Show Cause Hearings

(a) Adult Video Store Licences

Mr. Marshall Green attended together with his client, Mr. Randy Jorgensen, to show cause why licence applications for adult video store licences at 8 Fennell Avenue West, 128 Parkdale Avenue North and 478 King Street East should be approved by the Committee.

Mr. Green was asked if he wished the matter to be held in camera but he waived this privilege as the evidence of prior convictions was a matter of public record.

It was noted that the staff recommendation was for issuance of the licence. Mr. Dembe explained that the convictions before the Committee that evening were in fact under appeal but, if any further convictions resulted relevant to this matter, they would be brought back to the Committee forthwith.

Mr. Green advised the Committee that his client's stores were relatively new outlets which specialized in adult video material. He said the store windows were opaqued and a strict

age code was enforced. Mr. Green pointed out that in some areas the same kind of videos could be rented from milk stores through video machines.

Mr. Green explained that the convictions against his client for obscene matter were incurred as a result of a police operation whereby the police went into video stores and laid charges based on their own definition of pornography. However, since then guidelines had been set by the Supreme Court of Canada and the videos for which Mr. Jorgensen was charged were now allowed. He said these charges were the subject of appeal and that Mr. Jorgensen now obtained his videos from the approved Theatre Branch only.

Mr. Dembe advised of a recent conversation with the Vice Department whereby he understood that at least some of these films were approved by the Theatre Branch of the Ontario Film Review Board.

Mr. Green said he would be happy to have a condition imposed upon the issuance of the licence whereby Mr. Jorgensen only distributed films which were Review Board approved.

The Committee agreed to take the matter under advisement and subsequently agreed as follows:

That the adult video store licence applications of Mr. Randy Jorgensen for 8 Fennell Avenue West, 128 Parkdale Avenue North and 478 King Street East, Hamilton be granted subject to the submission of evidence to the Licence Division that the criminal convictions against Mr. Jorgensen were based upon films which had in fact subsequently been approved by the Film Review Board.

(b) Body Rub Operator Licence

This matter was tabled due to the absence of the applicant.

4. Taxi Cab Priority List Appeal

This matter was tabled due to the absence of Mr. Dimitrios Nikoladis.

The Committee noted that a previous recommendation had been sent to the Taxi Advisory Committee for input with regard to imposing a penalty of \$100.00 upon late renewals to the Taxi Cab Priority List from October 1st to the end of the renewal year.

The Committee was advised that this matter had been tabled by the Taxi Advisory Committee to be considered together with other changes to the Taxi By-law.

The Committee asked that the Taxi Advisory Committee give consideration to this recommendation as soon as possible.

5. Bingo Time Slots

The Committee was in receipt of a report from the Manager of the Licence Division dated 1993 May 06 with regard to New Bingo Time Slots.

Mr. Pat Kinelli, the new Chairperson of the Bingo Sponsors Association, was introduced and advised the Committee that he, and most of the bingo sponsors in the area, would stand in favour of the recommendation to rescind the freeze imposed upon the issuance of bingo lottery events in new time slots.

Mr. Kinelli suggested that the Committee consider issuing, on an interim basis, Provincial Lottery Licences, bearing in mind that the Province would soon be enacting legislation giving municipalities the right to licence up to \$5,500.00.

He also suggested that the City consider raising the current bingo lottery licence fee, which currently stands at 2%, to 3% which he said many municipalities were now doing. Mr. Kinelli said he felt this would enable the City to recover its expenses in this regard.

After consideration the Committee requested a report from the Manager of the Licence Division to include the impact of the proposed increased licence fee percentage, the proposed increased prize boards and the impact on neighbouring municipalities.

The Committee agreed to adopt the recommendation of the report as follows:

That the freeze imposed on the issuing of Bingo Lottery Events in new time slots be rescinded.

6. Ratification of Licences Issued - 1993 May 29 - April 30

The Committee was in receipt of a report from the Manager of the Licence Division dated 1993 April 28 with regard to Ratification of 1993 Licences.

Alderman Drury expressed concern with regard to the Monte Carlo Licence for Just Phone Hamilton, Inc. and was recorded as opposed to this application.

The Committee therefore agreed as follows:

- 1. That ratification of the Monte Carlo Licence of Just Phone Hamilton, Inc. be tabled and that the Licence Division Manager obtain full information in this regard before the next Council meeting.
- 2. That the following Licence Report respecting licence applications for the period March 29, 1993 April 30, 1993, as amended be formally approved:

3. Show Cause Hearings

The Committee retired in camera to hold Show Cause Hearings and subsequently agreed as follows:

- (a) That the Salvage Dealer Licence application of David Stargratt, 374 Emerald Street North, Hamilton be granted for a six month probationary period to be followed by a review.
- (b) That the Food Shop Licence application of Fitzroy Davidson, 103 Sherman Avenue North, Hamilton be granted for a probationary period to expire 1993 December 31.

- (c) That the Cab Driver Licence application of Kuldip Singh, 136 MacNab Street North, Hamilton be granted for a probationary period to expire 1993 December 31.
- (d) That the Cab Driver Licence application of Gary MacKenzie, 385 Queenston Road #607, Hamilton be granted for a probationary period to expire 1993 December 31.

The meeting then resumed in open session.

4. Taxi Cab Priority List Appeal

The Committee was in receipt of a request from Mr. Dimitrios Nikoladis, 42 West 1st Street, Hamilton to hear his appeal as to why his name should not have been removed from the Taxi Cab Priority List. It was noted that Mr. Nikoladis had failed to renew his name on the Taxi Cab Priority List by September 30, 1991 and at that time had been subsequently been removed from the list.

The Committee was advised that Mr. Nikoladis was not in attendance and, as this was the third meeting of which he had received notice and had failed to appear, the Licence Division asked that the Committee proceed and make a decision in this regard.

The Committee agreed that the request by Mr. Dimitrios Nikoladis be denied on the grounds that Mr. Nikoladis had received notice and had failed to appear at three meetings to which he had been invited and that his opportunity for appeal had therefore elapsed. Alderman Drury asked for background on Mr. Nikoladis' case and was advised that Mr. Nikoladis' letter of appeal stated that he had failed to renew his name on the Priority List because he was away for two months due to family reasons.

5. Other Business

(a) Taxi Cab Priority List

The Committee asked the status of their previous recommendation which had been sent to the Taxi Advisory Committee for input with regard to imposing a penalty of \$100.00 upon late renewals to the Taxi Cab Priority List from October 01 to the end of the renewal year. The Committee was advised that this matter would be considered by the Taxi Advisory Committee at their meeting of Tuesday, 1993 June 15. The Committee requested that Mr. Dembe also prepare a report in this regard.

(b) Bingo - Issuance of Provincial Licences

Mr. Dembe advised the Committee of the possibility that he would be requesting that a special meeting of the Licensing Committee be held during the next week to deal with his forthcoming report with regard to higher prize boards and a proposed increase in licensing fees from 2 - 3%.

Mr. Dembe advised that he foresaw administrative problems although, offsetting these would be the ability of groups to have higher prize boards. He said this would enable the City to be more competitive with other municipalities such as Burlington, who already had higher prize boards. Mr. Dembe advised that the subsequent drop in revenue would be offset by the proposed increase from 2 - 3% and that most municipalities had gone to a 3% licensing fee.

The Chairperson agreed to call a special meeting should this be necessary and that the matter of issuance of provincial licences be discussed at that time.

(c) Tobacco Licences

Alderman Drury asked the Licence Division Manager for an update on tobacco licences and was advised that of the estimated 800 licences, approximately 666 had been achieved, resulting in about \$17,000.00 revenue. However, Mr. Dembe advised that the cost of processing was \$50.00 each, of which only \$25.00 was received. He said the Licence Division was at the point now of dealing with complaints and had been in touch with representatives of the police who were working with smokers' rights groups to see what enforcement through Provincial and Federal Acts they would carry out. It was noted that tobacco licences should be prominently displayed on the premises.

6. Adjournment

There being no further business the meeting then adjourned.

Taken as read and approved.

YOUR FILE:

PHONE: 546-3993

SUBJECT:

Taxi Priority List Renewals

DATE:

1993 June 28

At its meeting of 1993 June 15 the Taxi Advisory Committee again considered the recommendation from the City of Hamilton Licensing Committee with regard to the imposition of a \$100.00 penalty upon late renewals to the Taxi Cab Priority List from October 01 to the end of the renewal year.

After considerable discussion the Committee referred this matter to the Licence Division to formulate a comprehensive plan to include a late penalty and provision for automatic expulsion. The late penalty is also to reflect administrative costs.

Upon completion the report is to be considered further by the Taxi Advisory Committee.

I will keep the Licensing Committee informed in this regard.

3. **Show Cause Hearings**

At this point the Committee retired in camera to hold show cause hearings and subsequently agreed as follows:

- That the Garage Licence application of Leamon L. Sayer, 550 Rennie Street, Unit (a) 2, Hamilton, L8H 3P5, be granted for a probationary period to expire 1993 December 31.
- That the Cab Driver Licence application of Steven Manion, 257 Jones Road, Stoney (b) Creek, L8E 5J5, be denied on the grounds of the applicant's extensive criminal record.
- That the Restaurant Licence application of Mary Magis, 945 Upper James Street, (c) Hamilton, L9C 3A6, be granted.

The meeting then resumed in open session.

Licensing of Monte Carlo Events 4.

The Committee was in receipt of an information report dated 1993 July 14 from Mr. Dean Barrow, Senior Licence Inspector, with regard to licensing of Monte Carlo Events.

Mr. Barrow addressed this report and advised that a report had been referred to the Finance and Administration Committee with regard to the hours of operation. Mr. Jones asked for a copy of the Provincial Legislation to be provided to him and Mr. Barrow answered questions from the Committee with regard to his report.

The Chairperson expressed concern that the City proceed cautiously with this matter and asked that additional information be obtained from the Police Department and the Provincial Government before proceeding with this matter to City Council. Chairperson stated that although Hamilton had turned down an opportunity to apply for a Provincial Casino, they were now "getting one through the back door". He also expressed concern that while he was not uncomfortable with charities running casinos, he was uncomfortable with professional companies being involved and was concerned about the huge potential involved and the possible negative impact on the City.

The Committee agreed to receive the report for information.

5. Taxi Cab Priority List Renewals

The Committee was in receipt of correspondence from the Secretary of the Taxi Advisory Committee dated 1993 June 28 with regard to Taxi Priority List Renewals.

It was noted that the Taxi Advisory Committee, at its meeting of 1993 June 15, had again considered the recommendation from the Licensing Committee with regard to the imposition of a \$100.00 penalty upon late renewals to the Taxi Cab Priority List from October 1st to the end of the renewal year. The Licensing Committee was advised that the Taxi Advisory Committee had referred this matter to the Licence Division to formulate a comprehensive plan to include a late penalty and provision for automatic expulsion. The late penalty was also to reflect administrative costs. Upon completion, the report was to be considered further by the Taxi Advisory Committee and the Licensing Committee would subsequently be kept informed thereon.

The Committee received the correspondence from the Secretary of the Taxi Advisory Committee for information, however, they expressed concern that the report which they had requested from the Licence Division Manager in this regard at the previous meeting had not yet been forthcoming.

6. Cancellation of Bingo Lottery Events for the Cari-Can Festival

The Committee was in receipt of an information report dated 1993 July 14 from Dean Barrow, Senior Licence Inspector with regard to the cancellation of Bingo Lottery Events for the Cari-Can Festival (Canadian Caribbean Christian Ecumenical Communion, Ontario Corporation No. 585360).

The Committee was advised that the Licence Division had been informed by the Director and Legal Counsel, Charitable Property Division, Ministry of the Attorney General, that the foregoing Corporation had been dissolved on 1993 April 19th for failure to comply with the Corporations Information Act and that all current lottery licences had been suspended and that the Licence Division had been directed to issue no further licences to this Corporation.

The Committee was advised that the Bingo Chairman of the Cari-Can Festival had been informed by registered mail on 1993 June 30 that all lottery licences were cancelled pending resolution of the cancellation of the Corporation by the Ministry of the Attorney General.

The Committee agreed to receive this report for information.

7. August Meeting

Due to absences on vacation, the Committee agreed to cancel the August Licensing Committee meeting scheduled to take place on Wednesday, 1993 August 11 and that, should it become necessary to hold a Licensing meeting during August, this would be at the call of the Chair. It was noted that Karrum Amusements were scheduled to appear before the

Committee in August to review the three month Management Plan and the Committee agreed to extend this three month period by a further month and that this matter be placed on the agenda for the September regular Licensing Committee meeting.

8. Adjournment

There being no further business, the meeting then adjourned.

Taken as read and approved.

1993 September 28

Dear Committee Secretary:

As you are aware, City Council at its meeting held 1992 September 29 approved a new policy for appointing members to City Committees, Local Boards and Commissions.

I wish to bring to your attention, Section 26 (g) of the Eighteenth Report for 1992 of the Finance and Administration Committee which was adopted by Hamilton City Council on 1992 September 29 as follows:

(g) That all Committees/Boards/Commissions be encouraged to hold some meetings in various facilities outside of City Hall and invite persons of those neighbourhoods to attend.

I am pleased to report that the Hamilton Status of Women Sub-Committee is holding most of its meetings in women's organizations in our community and are advertising the meeting dates, free of charge, in the Women's Calendar of the Hamilton Spectator. The Public Awareness Sub-Committee of the Mayor's Race Relations Committee have also taken advantage of this recommendation and have held a few of its meeting in locations throughout the community.

As Chairperson of the Advisory Committee on Equitable Representation on Committees, Boards and Commissions, I would encourage your Committee, Local Board or Commission to hold at least one of its meetings outside of City Hall in an effort to broaden the understanding of the functions of Committees, Local Boards and Commissions and to encourage all residents of the City of Hamilton to participate in public affairs.

I trust that every consideration will be given to this request.

Yours truly,

Alderman Dominic Agostino, Chairperson Advisory Committee on Equitable Representation on Committees/Boards/Commissions

City Committees, Boards and

Commissions

Please find attached, a copy of the Equitable Representation Survey of City of Hamilton Committee, Boards and Commissions as adopted by City Council on 1993 September 28.

The purpose of the Survey is to determine the representation of women, persons with disabilities, native persons, and racial and ethnic minorities on City of Hamilton Committees, Boards and Commissions and compare this composition to the previous Survey and external community data for the Census Metropolitan Area of Hamilton-Wentworth.

The Equitable Representation Survey meets the standards of the Ontario Human Rights Commission and is similar to those used by organization to comply with Federal Employment Equity requirements.

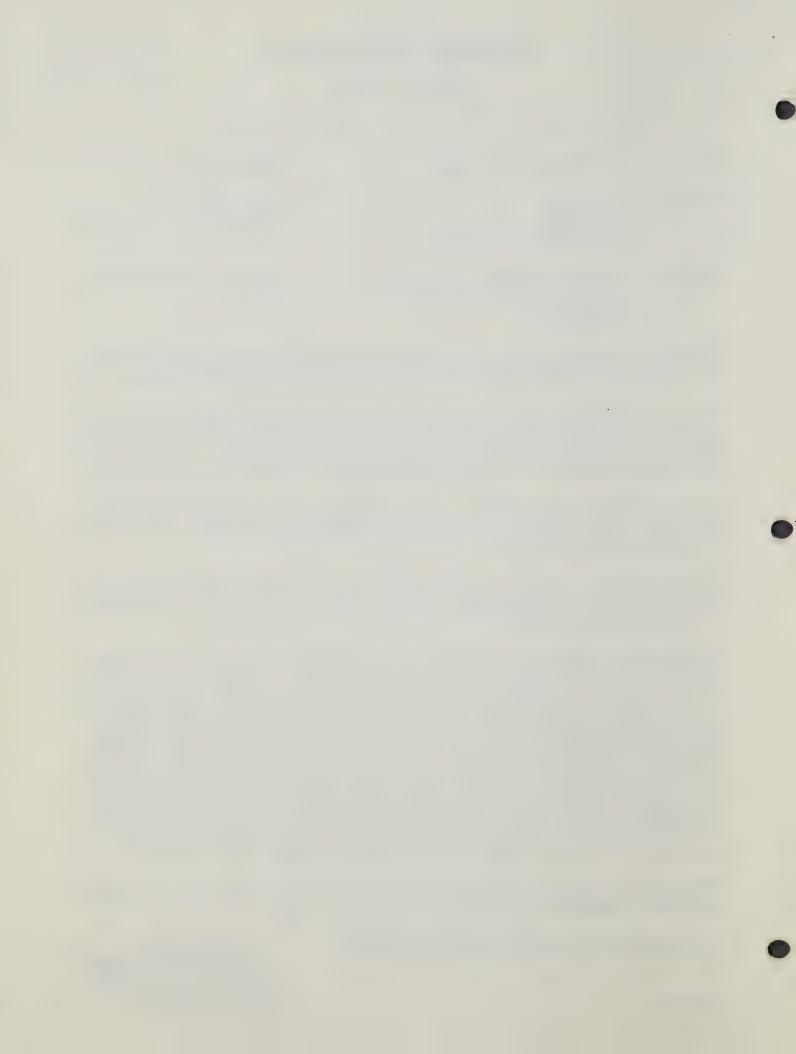

As you will recall, the City conducted this Survey in 1992 October, however, with a return rate of only 43%, the results cannot be applied to the population of Committees, Boards and Commissions as a whole.

City Council is requesting your assistance in once again distributing this Survey to all citizen members of your Committee, Board or Commission that have been appointed by City Council. Instead of mailing the Survey out to all members as was done in 1992, the Advisory Committee on Equitable Representation on Committees, Boards and Commissions has recommended that Committee Secretaries place this item on their next Committee, Board or Commission agenda, advise the members of the purpose of the Survey, and distribute copies to all members which can be collected after the meeting. For members not in attendance at the Committee, Board or Commission meeting when the Survey is distributed, please mail them a copy and ask them to return the same to your attention. After all Surveys have been collected, please place them in the envelope attached and return the same to the Human Resources Centre no later than Friday, 1993 November 26.

Participation is this Survey is strictly voluntary and information obtained from this Survey will be kept confidential and used for statistical purposes only.

Your co-operation in this regard is most appreciated.

Alderman Terry Cooke Chairman, Licence Committee City of Hamilton City Hall 71 Main Street West Hamilton, Ontario L8N 3T4

Dear Alderman Cooke:

I am writing to you at this time to request a hearing before the Licence Committee. The purpose of this hearing would be to allow me to operate my taxi cab independently and not be associated with any brokerage.

If I am granted a hearing, I will then state my reasons before the Committee and answer any questions the members may have.

Would you please notify me in writing of your reply. Thanking you in advance, I remain.

Yours truly

3. Show Cause Hearings

At this point the Committee retired in camera to hold Show Cause Hearings and subsequently agreed as follows:

- (a) That the Food Shop Licence application of Dinh Hang Phnom Penh Oriental Food Co. 58 Cannon Street West, Hamilton, L8R 2R5 be tabled until the next meeting of the Licensing Committee, at which time it will be considered together with the Tobacco Licence application.
- (b) That the Refreshment Vehicle Licence application of Lloyd Guthrie 97 Carrick Avenue #2, Hamilton, L8M 2W5 be granted for a six month probationary period.
- (c) That consideration of the Adult Entertainment Parlour Attendant Licence application of John Haines 1360 Rathburn Road East #804, Mississauga, LAW 4H4 be tabled.
- (d) That consideration of the Cab Driver Licence application of Hugo Hassan 79 Duke Street #7, Hamilton, L8P 1X4 be tabled.
- (e) That the Cab Driver Licence application of Mario Stampone 190 Limeridge Road West #308, Hamilton, L9C 7M6 be granted for a one year probationary period.
- (f) That the application for adjournment of the Second Level Lodging House Hearing 185 Delaware Avenue Hazel Ross-Iampietro be granted until the results of an O.M.B. hearing, and that if in the meantime a reduction in the number of residents occurs at the premises, reducing the number to 9, there will be no replacement of that person. Further, that the Licence Division staff monitor the situation and if further problems occur the matter be brought back before the Licensing Committee and an Order to Comply issued immediately.

The Secretary was directed to contact the O.M.B. to ensure that the Committee is advised of the date of the O.M.B. hearing and the Committee is to be kept appraised of the outcome thereof.

The meeting then resumed in open session.

4. Taxi Cab Priority List Appeals

The Committee was in receipt of a letter from Mr. Fadhel Zahed dated 1993 June 01 requesting reinstatement of his name on the Taxi Cab Priority List.

Mr. Zahed appeared and advised the Committee that he had been unaware of the change in the rules whereby a person had to renew their name on the Taxi Cab Priority List on a yearly basis. The Licence Division confirmed that Mr. Zahed had been sent a letter advising of the changes and this letter had been subsequently returned. However, a second reminder letter had been sent out which had not been returned.

Mr. Zahed advised the Committee that when he became aware that his name no longer appeared on the Taxi Cab Priority List he requested a hearing before the Licensing Committee but was subsequently denied. As the result of this denial Mr. Zahed had been advised by Mr. Dembe to write a detailed letter to the Committee asking for reconsideration of the February 15, 1993 decision.

After consideration the Committee agreed to deny Mr. Fadhel Zahed's request for reinstatement on the Taxi Cab Priority List on the grounds that no new evidence had been presented which led the Committee to believe that Mr. Zahed could not reasonably be aware of the requirement to renew his name on the Taxi Cab Priority List.

5. Taxi Cab Priority List Renewals

The Committee was in receipt of a report from the Manager of the Licence Division dated 1993 August 30 with regard to Taxi Cab Priority List.

Mr. Dembe apologized for the lateness of the report and said he felt the recommendations would help to clarify future requests with regard to late renewal filing.

After consideration the Committee agreed to adopt the recommendations of the report as follows:

That Part 6 of Schedule 4 of By-law 93-069 respecting the Taxi Cab Priority List be amended as follows:

- (a) That the Taxi Cab Priority List be closed and no further applications for the addition of names to the list be accepted after 1993 October 12.
- (b) That any person currently on the Taxi Cab Priority List who fails to renew by the September 30th deadline be permitted to pay a late renewal filing fee of \$100.00 up to December 31 of the same year.
- (c) That the City Solicitor be authorized and directed to prepare the necessary By-law.
- (d) That the foregoing recommendations be forwarded to the Taxi Advisory Committee for their comments and thence to be sent to the Finance and Administration Committee for consideration.

6. Other Business

(a) Bingo Application

Mr. Dembe advised the Committee of an application by the Good Shepherd Centre for a Bingo to be held at the Convention Centre and recommended that this be granted on a trial basis as there was concern with the impact which this event may have on the existing bingo market.

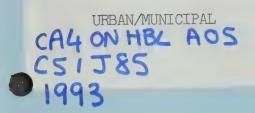

7. Adjournment

There being no further business, the meeting then adjourned.

Taken as read and approved.

- 3. Show Cause Hearings
- 4. Other business
- 5. Adjournment

The City of Hamilton Licensing Committee met.

There were present: Alderman T. Cooke, Chairperson

Alderman D. Drury Alderman D. Wilson Mr. A.J. Child

Also present:

Supt. C. Jackson, Hamilton-Wentworth Regional Police

Mr. Steve Dembe, Licence Division Manager Mr. Doug Rose, Chief Licence Inspector

Mr. Ron Sabo, Law Office

Mrs. Stella Glover, Secretary, City of Hamilton Licensing Committee

1. Minutes of Meeting

The minutes of meeting held 1993 September 08 were adopted as presented.

(a) Delegation

Mr. William Scime attended and gave a written and verbal submission with regard to his request to operate as an independent taxi operator. The Licence Division Manager gave the background to the issue and explained that in order to grant Mr. Scime's request it would require an amendment to the By-law. However, he pointed out this could have implications to the rest of the industry and suggested that he would consult with other municipalities and bring a report back to the Licensing Committee in this regard.

Discussion ensued on the definition in the By-law of Public and Private Cabs and it was noted that Mr. Scime wished to remain a private cab but not operate out of a brokerage. However, the new By-law definition would make this impossible.

Mr. Sabo suggested an alternative might be for Mr. Scime to obtain a brokerage licence. However, Mr. Scime explained that he would not be able to do this because of the definition of brokerage in the By-law which required a brokerage to employ another cab driver other than a relative.

After consideration the Committee agreed to table this application and requested a report from the Licence Division Manager and the Law Office in this regard.

2. Ratification of Licences Issued

The Chairperson declared an interest with regard to the application of the March of Dimes and refrained from discussion and voting in this matter.

The Committee subsequently agreed:

That the following Licensing Report respecting Licence Applications for the Period 1993 August 30 - October 15 be formally approved:

3. Karrum Amusements Limited-3 Month Review of Amendments to Management Plan

Doug Rose, the Chief Licence Inspector, advised the Committee that since the last meeting the Licence Division had not received any complaints from the police or the general public with regard to the subject properties. He said inspections have been carried out and everything was in order, and staff in control. On two occasions the police had reported security guards were neglecting their duties and this had been rectified straight away by Mrs. Rumpf, who called on a regular basis to check on any problems.

Mr. Rose said it was his conclusion that the removal of off-duty police officers had not had a negative effect.

Supt. C. Jackson of the Hamilton-Wentworth Regional Police referred to his report of August 18 at which time he said he did not feel the removal of the off-duty police officers had had an adverse effect and said he hadn't anything further to add to this report.

Mr. Criminisi, lawyer representing Karrum Amusements, requested that the private security firm be allowed to be removed completely, and said the busiest season was now over with no problems. He reminded the Committee that the licensee would bear the responsibility if any problems did arise.

Mr. Criminisi said presently two private security guards were employed for three nights of the week and he was requesting the complete elimination of these guards.

The Committee agreed to take the matter under advisement and retired to deliberate.

Reconvening in open session, the Committee agreed as follows:

- 1. That the request of Karrum Amusements Ltd. to discontinue completely the employment of the private security firm at their premises at 61 and 79 King Street East be granted.
- 2. That the Police Department and Licensing Division be requested to report to the Licensing Committee in six months in order that the Licensing Committee may ascertain that there are no further problems in this regard.
- 3. That the Police Department and the Licensing Division be requested to immediately notify the Licensing Committee if any problems arise in the interim.

4. Show Cause Hearings

At this point the Committee retired in camera to hold Show Cause Hearings and subsequently agreed as follows:

- (a) That the Food Shop and Tobacco Shop licence application of Phnom Penh Oriental Food Co. Ding Hang, 58 Cannon Street West, Hamilton, L8R 2R5 be tabled until the next meeting.
- (b) That the Food Shop and Tobacco Shop licence application of Hyung-Chul (Larry) Wellington Place Convenience, 125 Wellington Street North, Hamilton, L8R 3J4 be granted for a one year probationary period.
- (c) That the Cab Driver licence application of Thomas Budd, 61 Seabreeze Crescent, Fruitland, LOR 1L0 be granted for a six month probationary period.
- (d) That the Cab Driver licence application of Reno Paul Spagnoletti, 10 Angus Road #139, Hamilton, L8K 6K3 be granted for a one year probationary period.
- (e) It was noted that the Cab Driver licence application of Peter Hubert, 1379 Barton Street East #2, Hamilton, L8H 2W4 was withdrawn by the applicant.
- (f) That the Adult Entertainment Parlour Attendant licence application of John Haines, 1360 Rathburn Road East #804, Mississauga L4W 4H4 be tabled.
- (g) That the Cab Driver licence application of Hugo Hassan, 79 Duke Street #7, Hamilton, L8P 1X4 be denied on the grounds that the applicant had failed to attend three hearings, despite adequate notice being provided, and the application was therefore considered abandoned.
- (h) That the Cab Driver licence application of Mark Lachance, 2 St. Clair Avenue #1, Hamilton L8M 2N3 be granted for a one year probationary period.
- (i) That the Food Shop Take Out and Tobacco Shop licence application of Elias Khamis Alien Pizza and Variety, 473 Melvin Avenue, Hamilton L8H 2L8 be granted for a one year probationary period.
- (j) That the Cab Driver licence application of William Russ, 63 John Street South #3, Hamilton L8N 2B9 be granted for a one year probationary period.

5. Equitable Representation on City Committees, Boards, Commissions

(a) Meetings Outside City Hall

The Committee received for information a letter from Alderman Dominic Agostino encouraging City Committees to hold meetings outside City Hall in order to encourage wider participation by members of the public.

(b) Equitable Representation Survey

Copies of the survey were distributed to the citizen member present at the meeting.

6. Other Business

(a) Change of Meeting Dates

The Committee agreed to change the dates of the November and December, 1993 meetings as follows:

- (i) Wednesday, November 10th meeting to be cancelled and rescheduled to be held on Tuesday, November 23 at 6:00 p.m. in the Board Room at the Central Police Station, 155 King William Street, to be followed by a tour of the facility by the members of the Committee and staff.
- (ii) Wednesday, December 08th meeting to be cancelled and rescheduled to be held on Wednesday, December 15 at City Hall.

7. Adjournment

There being no further business, the meeting then adjourned.

Taken as read and approved.

CITY OF HAMILTON - RECOMMENDATION -

DATE:

1993 December 8

REPORT TO: Stella Glover

Secretary, Licensing Committee

FROM:

Steven J. Dembe

Manager, Licence Division

SUBJECT:

William Scime Request - Public Taxicab Licence

RECOMMENDATION:

That the request of William Scime to transfer his Private Taxicab Owner's licence to a Public Taxicab Owner's licence be denied.

FINANCIAL/STAFFING/LEGAL IMPLICATIONS:

N/A

BACKGROUND:

William Scime, who operates Private Taxicab #118 from the Blue Line Taxi Company, has requested to operate his taxicab independently and not be associated with any brokerage as is presently required by the Taxicab By-law.

Currently, there are two types of taxicabs operating in the City of Hamilton: Public and Private. There are 323 Private Taxicabs and 2 Public Taxicabs. The City of Hamilton Licensing By-law defines:

- (a) Private Taxicab as a taxicab which uses a two-way radio or other form of dispatch to locate passengers, but does not include a public taxicab;
- (b) Public Taxicab means a taxicab that operates from a public taxicab stand and is without a two-way radio or other form of radio dispatch to locate passengers not at a public taxicab stand.

Between 1987 and 1991, the City approved 75 additional taxi plates in an attempt to provide better service to the public. All 75 plates were private. Since at least 1980, the Licensing Committee has had a policy in place whereby public taxi plates would be eliminated as the owners of them requested transfer to private taxis.

When reviewing Mr. Scime's request, one must consider the impact on the Taxi Industry as a whole as well as the impact on service to the public. Will Mr. Scime's request be a benefit to the public, or is it simply a good business decision for him during poor economical times? The purpose of licensing is to protect public interest and safety, therefore, Mr. Scime's request should be evaluated in these terms. This request cannot be viewed in isolation. If granted, the City should expect similar requests from other Private Taxicab owners who may wish to save the brokerage fee of \$3900.00 a year. The City may wish to set a limit on the number of Public plates that could be issued if Mr. Scime is successful in his request.

A cross section of the Taxi Industry was consulted during this review. Licence Inspectors spoke to representatives of Blue Line and Veterans Taxi as well as Public plate owners, Private owners and drivers. A number of concerns were expressed as follows:

- (1) The use of scanners by Public plate owners to intercept radio dispatched calls from the brokers. This type of activity could create a volatile atmosphere if a dual system of taxicabs were allowed to operate,
- (2) There is a belief within the Taxi Industry that Public plates were being eliminated through attrition and being reissued as Private plates. Why should the City be interested in reverting back to a system that was not operating in the best interest of the public?
- (3) A "Public Cab Owner" questioned as to how the City would limit the number of Public plates and what type of enforcement could the City provide to regulate possible parking problems relating to the Public Taxi Stands and the restrictive times the stands are available for operation.

In addition to the Taxi Industry, a number of municipalities were also consulted. The Cities of Ottawa, Brampton, Mississauga and London all require their taxicabs to operate through a brokerage. Ottawa allows taxicabs the option to operate independently through the use of a cellular telephone, but still requires them to operate from a brokerage. Affiliation with a brokerage was viewed as the best way to provide a 24-hour service to the public, which independent operators could not provide. Therefore, any decrease in the number of Private plates would have a negative impact on service to the public and is likely to create an enforcement problem. The City of Stoney Creek would allow an independent operator to take out a Broker licence. This would not be permitted under the City of Hamilton's By-law without an amendment to the definition of a "Broker". Windsor was the only municipality which currently allows taxicab operators to work independent of a brokerage.

Mr. Scime makes a number of valid points in his submission which are symptomatic of the Taxi Industry in general. Costs have risen and business has truly decreased. The Licence Division is currently reviewing the entire Taxi By-law in an effort to reduce costs to operators and explore ways to allow operators to expand their business. The By-law should reflect the changing times and technology.

There are options open to Mr. Scime to alleviate some of his problems. For example,

- (1) Mr. Scime could move to a smaller brokerage (less competition?): Blue Line maintains the largest fleet (145); Veterans (111); Yellow (67).
 - Blue Line taxicabs tend to collect at the #1 Substation (Head Office) located at John & Haymarket where there are often 15 taxicabs, while many others are under-utilized.
- Mr. Scime is not prohibited from using a cellular telephone to maintain communication with his current customers. Private Taxicabs are now allowed "on street parking", similar to Public Taxicabs. Becoming a Public Taxicab would not have any effect on parking.

Licence Division Staff believe it would be contrary to the public interest to reduce the number of Private Taxicabs. The Taxi Industry, as well as the general public, would be best served if all taxicabs were operated as Private Taxicabs, dispatched from brokerages. The policy that has been in force since the early 1980s should remain in force, whereby Public plates are being replaced by Private plates when the ownership of taxicab plates are being transferred. Any Bylaw amendment allowing additional Public plates would not benefit the Taxi Industry, or the public.

A recent Charter of Rights judgment by the Alberta Queen's Bench has ruled Freedom of Association also includes the right not to associate. (See attached). This is a matter which Mr. Scime may wish to investigate if his request is denied.

Charter s. 2(d) right to associate includes a right not to associate

By Brad Daisley

EDMONTON—In an important Charter judgment, the Alberta Queen's Bench has ruled freedom of association includes freedom from association.

While the facts of the case are relatively mundane-a licensing dispute between a cab driver and the city of Edmonton-the decision expands the Supreme Court of Canada's ruling in Lavigne v. OPSEU (1991), 81 D.L.R. (4th) 545, and could have important

"Lavigne, unfortunately, didn't finalize the issue, because it was a draw. So I think this is significant in that it opens the door in terms of recognizing the right not to associate," said winning counsel Richard J. Garside of Edmonton's Scott and Co.

"Most of the key freedom not to associate issues were dealt with in Lavigne...so I don't know if this particular decision will immedi-

ately have a broader impact, but there are, I'm sure, smaller issues where people are waiting in decisions similar to this and will be buoyed by the results," he added.

The case arose in 1988 when Mr. Garside's client, Gerry K.J. Beck, applied to the Edmonton Taxi Cab Commission to operate his cab as an independent owner-

Edmonton regulations, however, require all taxi cab drivers to be affiliated with a broker who operates 24 hours a day, seven days a week and provides a dispatch system

Mr. Beck had worked with a number of different brokers over the years, but now wanted to work independently.

The taxi commission, however, refused to issue him a licence unless he signed up with a broker.

After unsuccessfully appealing the matter to Edmonton city council and its public affairs committee, Mr. Beck challenged the commission in court.

Mr. Garside argued that forcing an independent taxi owner to affiliate with a broker violated the right to freedom of association guaranteed by Charter s. 2(d).

He submitted that freedom of association included freedom not to associate.

In Lavigne, the leading decision on s. 2(d), the Supreme Court of Canada failed to resolve the

After reviewing the decisions in Lavigne, Alberta Queen's Bench Justice Tevie H. Miller concluded Mr. Justice La Forest's decision was the more persuasive and should be followed

In his judgment, Mr. Justice La Forest said that while s. 2(d) protects people from forced association, it does not create a right to

"There are certain associations which are accepted because they are integral to the very structure of society," he said.

"Given the complexity and expansive mandate of modern government, it seems clear that some degree of involuntary association beyond the very basic foundation of the nation state will be constitutionally acceptable, where such association is generated by the workings of society in pursuit of the common interests," Mr. Justice La Forest concluded.

He said individuals may be forced into associations without violating the Charter where it is necessary to "further the collective social welfare.

Counsel for the City of Edmonton, Walter E. Remondini, argued that compelling Mr. Beck to affiliate with a taxi broker furthered the collective social welfare because it ensured 24-hour taxi service for the city and it ensured Mr. Beck's personal safety through radio contact to the broker's dispatcher.

Mr. Beck, however, responded with affidavit evidence that a number of Canadian cities permitted independent owner-operators to run taxis and did not experience serious problems.

Mr. Justice Miller said that even if he concluded the safety of taxi drivers was part of the "collective social welfare," the requirement of forced association with a broker went too far.

"In my opinion, compelled association with a broker is not the only way to attain those goals and, as a result, the applicant's freedom under s. 2(d) of the Charter has been abridged," he

The judge agreed with Mr. Garside's submission that the Edmonton bylaw was the equivalent of the provincial law society telling solicitors they had to practise in a partnership with other lawvers.

He noted the European Court of Human Rights in Sigurjonsson v. Iceland (June 30, 1993) ruled that requiring a cab driver to join a particular trade union to obtain a taxi licence violated his freedom of association under the European Convention on Human

"The [European] court held that freedom encompassed both a positive right to associate and a negative right to refrain from doing so," Mr. Justice Miller wrote in his judgment.

He also concluded the bylaw was not saved by Charter s. 1 because "the means chosen to achieve the objectives are simply not proportional to the objectives.

Mr. Remondini could not be reached for comment.
